

TECTONITE FD60/90/120 COMPONENTS

Warm Springs offers 60, 90 and 120 minute fire-rated raw mineral door cores, assemblies of which have been tested to BS 476: Part 22: 1987.

All cores can be configured to accommodate a wide variety of constructions, glazing and hardware options. The extended performance mineral core is one of the lightest and most durable mineral cores on the market.

- Fully tested fire performance
- For FD60, FD90 and FD120 door sets
- Easy to use
- Supplied in component form for extended sizes with minimal waste
